MEMORANDUM 1984-41

TO: Heads of Departments and Agencies  
FROM: Hideo Murakami, Comptroller  
SUBJECT: Court Orders for Support Deductions from Payroll

This memorandum is to confirm that, according to our legal counsel from the Attorney General's office, court-ordered deductions for support should be honored from workers' compensation payments made through the State's payroll system, as well as from regular payroll payments. The authority for such payroll deductions is Sub-section 571-52(d) of the Hawaii Revised Statutes, as revised, which reads:

Notwithstanding any other provision of law, the provisions of this section shall be applicable to all moneys payable to any obligor including moneys payable as a pension or as an annuity or retirement or disability or death or other benefit, or as a return of contributions and interest thereon from the United States government, or from the State or other political subdivision thereof, or from any retirement, disability, or annuity system established by any of them pursuant to statute. (Emphasis added.)

Please post this memorandum in appropriate workplaces in your department or agency, for the information of your employees.
